

## Emergency Medical Technician (EMT) Licensure Disclosure

Upon completion of [ECP 130 Emergency Medical Technician](#), students will be eligible to sit for the National Registry of Emergency Medical Technicians (NREMT) certification examination. For more information, visit the [National Registry of Emergency Technicians](#) website. Students may apply for EMT licensure through the Montana Board of Medical Examiners after passing the EMT certification exam.

Click [here](#) for more information about the EMT course.

This disclosure indicates the states and territories that FVCC has determined through a reasonable, good-faith effort that ECP 130 **meets, does not meet,** or has **not determined** if the program meets the educational requirements for licensure. Other requirements besides what is listed below include but are not limited to, application and licensing fees, criminal background checks, fingerprint submissions, etc. Continuing education may also be required for the maintenance of licensure/certification.

State/Territory	Licensing Board/Agency Name	Meets Educational Requirements for Licensure	Member of a Compact	Additional Requirements

“N/A” means the state/territory does not offer or issue a license.

This disclosure was last updated on June 25, 2024. However, this disclosure may not reflect recent changes or requirements because professional licensure and certification requirements are subject to change. Students are strongly encouraged to contact the state licensing board directly to verify education and licensing requirements in their state/territory.
