

Paramedicine Licensure Disclosure

Upon earning an [Associate of Applied Science in Paramedicine](#), students will be prepared to sit for the National Registry of Emergency Medical Technicians (NREMT) written and practical examinations at the paramedic level. For more information, visit the [National Registry of Emergency Technicians](#) website. After passing the NREMT written and practical examinations, graduates of this program are eligible to apply to the Montana Board of Medical Examiners for paramedic licensure in Montana.

To enroll in this program, the student must be accepted. Click [here](#) to view the admission guidelines and application packet.

This disclosure indicates the states and territories that FVCC has determined through a reasonable, good-faith effort that the paramedicine program **meets**, **does not meet**, or has **not determined** if the program meets the educational requirements for licensure. Other requirements besides what is listed below include but are not limited to, application and licensing fees, criminal background checks, reference checks, fingerprint submissions, etc. Continuing education may also be required for the maintenance of licensure/certification.

State/Territory	Board/Agency	Meets Educational Requirements for Licensure	Member of Compact or Reciprocity Agreement	Additional Requirements

“N/A” means the state/territory does not offer/issue a license.

This disclosure was last updated on June 24, 2024. However, this disclosure may not reflect recent changes or requirements because professional licensure and certification requirements are subject to change. Students are strongly encouraged to contact the state licensing board directly to verify education and licensing requirements in their state/territory.
